

Lantern and Stove Service

Flat Rate Service (FRS) ensures that your lantern or stove will be returned to original factory specifications for performance. FRS includes labor, all necessary repair parts and return shipping. FRS does not include painting, polishing or other aesthetic improvements. In other words, your serviced lantern or stove will have the same appearance it had when you sent it to Coleman.

Please ship the lantern or stove with this completed form and check to:

The Coleman Company, Inc.
Attn: Service Dept
3600 N Hydraulic
Wichita, KS 67219

Allow 4-6 weeks for service and return shipping.

Important steps to take before shipping:

- Drain all liquid fuel from the lantern or stove before shipping.
- Do not ship propane cylinders with the lantern or stove.
- Do not ship the glass globe or ventilator (top cover) with lanterns.

Coleman cannot process service forms with incomplete information.
